# Monthly Activity Report May 2021

# Service Highlights

The Library launched STEAM To Go! Kits on Monday, May 17 thanks to a generous donation from the Georgia Eakins family. These kits are for children in grades 4+ and include a book and several handson activities that allow students to explore science, technology, engineering, art and mathematics at home. Twelve kits (23 items total) are available for checkout.

Library customers can now directly contact staff through live chat via the Library's website or via text messages from the smartphone or other devices. The Library started the chat service as a response to the continuing need for customers to contact staff without coming into facilities. In addition, most urban libraries offer some type of live chat service. The Library is using LibraryH3lp, a specialty chat software specifically for libraries. The chat and texting software was made available through a generous grant from the Friends of the Library. Staff are using the donation to gather information to determine if a permanent chat service is needed.

Several divisions worked together to launch the 2021 Summer Reading Program. Digital Services staff completed their work by creating a custom webpage for the program, transcribing and captioning many video performances of varying lengths, and building a Vimeo account to host videos that need password protection, like storytimes. Library Communications built and launched a robust campaign using print and digital tactics to reach multiple audiences to register for the program. Youth Services staff created a full schedule of programming for kids and teens this summer and worked to make sure branch locations were equipped with necessary materials to operate the Program.

The Library created a special eight-page guide for this year's Summer Reading Program which includes tracking forms needed to count hours read or activities completed. In-person school promotion was not possible this year, but teacher resources were posted on the website and teachers could request a Zoom presentation from a Youth Services Librarian. The Summer Reading Program launched June 1 and continues through July 29.

Two new sidewalk projects were completed: a new sidewalk at the Alford Branch replaced the stepping stones that were a potential tripping hazard (the stones have been placed in a nearby garden), and a sidewalk at the Advanced Learning Library between the north and west parking lots.

One thing Library staff enjoy is discussing book club options with customers. On Monday, May 3, Librarian Sara McNeil presented "Book Club Reboot," a virtual program that discussed opportunities for book clubs to reinvigorate attendance for their book clubs. Participants asked questions about book sets available at the Library, how to choose books and logistics for running a successful book club.

# **Other News**

Rockwell Branch Manager Savannah Ball completed the Wichita State University Mini MPA program this month. The program is a semester-long intensive training series designed for working professionals in local government.

Renovations continue at the Evergreen Branch Library, which is being transformed into the new Evergreen community center. The naming recommendations campaign has generated 129 submissions. <u>Click here</u> to learn more about the project.

Seventeen Teen Library Ambassadors have received training, who will help promote Library programs and services this summer. While COVID restrictions prevented the Library from offering the traditional Teen Volunteer program, the Ambassador program gives teens a way to keep busy this summer, to give back to the Library, and to learn more about how the Library serves the community. Work done from home by teens will include social media promotion, sharing book reviews for teens, and other activities in support of the Library.

Library staff is participating in a data driven storytelling project through a partnership with the Wichita Community Foundation, Envision and Sonify. The idea is to take data sets and turn them into sound so blind and visually impaired customers can receive information that's typically seen in an audible format. For the most recent project, the Library used data collected during the COVID-19 pandemic to show the shift in Library operations, specifically with Wi-Fi usage, public computing sessions, physical and e-material circulation at the Advanced Learning Library.

Technology training staff continue to be busy as customers become more comfortable with in-person services. Staff completed 142 book a librarian appointments in May. Customers were given assistance with resumes, printing vaccine vouchers, and filing for unemployment. The section also taught four technology classes on Zoom with 42 virtual students in attendance.

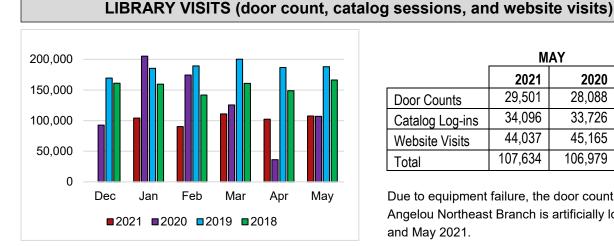

Customers continue to discover the Library through the "Read. Return. Repeat: A ReadICT Podcast." Since its launch in March, with positive reaction, the podcast continues to grow. May's episode, *Birds of a Feather*, had Adult Programing Librarian Sara McNeil discussing books about animals with Todd Volkmann, exhibit caretaker at the Kansas Wildlife Exhibit. The podcast is available on all major podcast platforms, including Spotify and Apple Podcast.

Librarian Daniel Pewewardy led a tour of the Advanced Learning Library for Melanie Addington, the new executive director for the Tallgrass Film Festival. She was impressed with the Conference Center and the multimedia equipment available for the community. Her goal at Tallgrass is to make the annual film festival an Academy Award® qualifying event, and she feels that the Library's Academy Award® Shorts program is a good example why Wichita should have this qualification.

Librarian John Cleary worked with six SCORE/SBA clients this month and collected business information for business plan start-up, market research, industry and demographic information. Areas researched were software development, collection agency services, metal working, auto leasing services, laundry services and nonprofits.

# Service Snapshot: Recent Raving Fans Stories

A customer was hesitant to bring her autistic son into the Advanced Learning Library because he cannot wear a mask and she wasn't sure how he would do inside. Clerk Connie Brake was able to help her at the drive up window and call the Children's Pavilion for assistance in checking out a Launchpad for the customer. Library Assistant Bill Rohde brought a couple to choose from while Connie issued the customer a new library card. She also told the customer how she can place holds in the catalog so she can pick them up without waiting. The customer appreciated the help Connie and Bill provided to meet her needs without having to come into the building.

A grandmother from out of town was caring for her grandsons while their parents were on a trip. They wanted to borrow books but the boys did not have their own accounts and the parents did not leave a library card for their use. Youth Services staff member Elizabeth Colflesh mentioned that non-residents could receive a non-resident card and check out two items. The customer went to the Customer Service desk, got a non-resident card and was able to leave the Advanced Learning Library with a couple of books for her grandsons - a nice compromise.

Libraries can play a big part in civic engagement when it comes to helping citizens who want to learn more about issues that affect them. A customer was concerned about water contamination and wanted to alert local officials to water purification alternatives that do not use chemicals like chlorine. She asked library staff to help her find out about a town she heard about on the radio that uses chemical free processes. Daniel Pewewardy was able to find an NPR story that was on the topic the customer needed and helped her print off several copies. The customer then wanted the contact information for the Wichita City Council so she could send the article to each member. The customer expressed her gratitude to Daniel for taking his time to help her and said she appreciated what libraries do for the community.

At the Westlink Branch Library, Library Clerk Bryan Hodgkins was pulling and processing holds for customers. When checking them in, he found that two of the items requested were for the same customer but being held at different locations. The customer was contacted in order to ensure this was desired. It was not. Her son had been placing holds on items using her card and forgot to change the pickup location for one item. Staff changed the pickup location and sent the item on its way. The customer was very grateful for Bryan's attention to detail.

Special Collections Manager Michelle Enke helped a retired Wichita State University professor begin his family research. She explained available resources and was able to send him several newspaper articles on his father. He was pleased with the information and wrote: *"Wow, Michelle! You hit a home run on your quick search on my Dad. The story on his baseball heroics is a wonderful find. I have limited access to newspapers.com through Ancestry.com but was unaware of the publisher's extra version. I will look into that. Thanks for giving my inquiry quick attention. I will get back to you if I have questions."* 

Jennifer Durham helped a patron who was trying to locate some wiring diagrams for an older model Cavalier. Unfortunately the library no longer carries the book he needed. Jennifer used this opportunity to walk the patron through using the Auto Repair Source Database and show him how to search, view and print wiring diagrams - even from home! The patron was extremely pleased and commended the WPL staff for how knowledgeable they are about the auto repair manuals and that this resource often saves him expensive repair bills!

Technology Trainer, Brock Rhodes, assisted a customer in the TTC by gaining access to her locked laptop. The customer needed to install Skype on her computer and Brock was able to help her navigate the process. The customer thanked him for his assistance and said that she had previously had a tech person help her install Zoom who later charged her \$50 and said, "If I had known I could do it for free at the library, I would have come [to the library] first! People need to know about that!"

<u>Friends of the Library</u> – Amanda Shankle reported that the bookstore has been doing well since the reopening. Help is being coordinated to assist in organizing the storeroom while

opportunities to have more book sales is being researched.

<u>Library Foundation</u> – Kristi Oberg thanked library staff for assisting in the submission of a federal grant worth \$50,000 through the American Rescue Plan. Collection Development Manager Sarah Kittrell advised that the grant funds will be used to create an online space for digital items in the Special Collections Department. The company BitCo Inc. will assist in digitizing the photo collection and aerial maps.

Ms. Oberg advised that the next grant to be worked on will be one for the City of Wichita Cultural Arts program. Recent years have shown a decrease in the amount of funding approved for this grant due to the way in which the grant application was worded. Work is being done to determine how to improve the writing of the application for this grant in order to increase funding.

The Foundation received \$20,000 to go toward a new hotspot program for the library. Digital Services Manager Jeff Tate advised that the 50 hotspots will be pushed out for circulation in mid-June.

<u>Wichita Genealogical Society (WGS)</u> – Julie Crawford advised that the April meeting had 81 attendees and the May meeting had 31 attendees. Plans are going forward to host the annual WGS Conference normally held in October at the Wichita State University Hughes Metroplex.

# **Director of Libraries Report**

Interim Director Dowell reported that Vice Mayor Brandon Johnson has appointed Daisha Eaton as the Library Board member representing District I.

Staff is working with Public Works to touch up the paint on the first floor of the Advanced Learning Library. Doorstops have been placed on the sliding doors of the Research Pavilion to hold them open. Sycamore Street has reopened allowing the east entrance to be open as well. The sidewalk replacing the stone pavers at the Alford branch has been completed, and the installation of a sidewalk at the Advanced Learning Library connecting the north and west parking lots will begin soon.

The building owner of the Walters branch has given approval to install a bike rack at the location. The owner additionally advised that flowers or landscaping will be planted at the branch as well.

Permits have been received in order to begin construction at the Evergreen Neighborhood Resource Center that will be housing the new library branch.

Board members were asked to please turn in Conflict of Interest forms if they had not already done so.

Department directors will be meeting with the City Manager to discuss current CDC guidelines and how they will affect mask and social distancing requirements at city buildings. Board members were asked for their input on moving forward with these requirements so concerns could be addressed at the meeting with the City Manager. Board members shared their concerns relating to how staff feel about lifting mask requirements, enforcement of policies, and encouraging the public to be self-aware and continue to follow safety standards. Interim Director Dowell advised she would include these concerns in her statement at this meeting.

# **Evergreen Community Center Naming Update**

**For:** Library Board of Directors **Date:** Tuesday, June 15, 2021

The distribution of door hangers in District VI to communicate the naming campaign was delayed due to the door hangers being delivered to a different location than agreed upon. Door hangers have been distributed.

Library and City staff propose an extension to the community engagement piece regarding the ranking/poll for the top five names. We want to ensure we do a thorough job of gathering resident feedback, and we are not on as tight a timeline as we were for the Walters Branch naming. Council Member Claycomb agrees that it would be a good idea to extend the timeline (see below).

For the community engagement piece for gathering ranked choice voting for the top five names, we were planning at minimum to do the following:

- Social media campaign
- Posters in District VI locations
- Door hangers in community
- MailChimp newsletter from Library
- Presentation at DAB 6 meeting
- Issue press release
- Mayor's media briefing
- Local news segments, including Good Day Kansas

We would like to propose the following updates to the timeline:

- June 30: End naming recommendation campaign
- July 22: Library Board meeting, narrow name recommendations to top five
- July 21-August 31: Top five campaign (five weeks, six days)
- September 21: Library Board meeting, select naming recommendation
- October 5: Name recommendation goes before City Council

This new timeline would give us more time to circulate the top five naming recommendations to the community.

As of June 4, when this report was compiled, there were 129 submissions.

**Recommendations or Actions:** It is recommended that the Board of Directors approve revisions to the policies as proposed by staff and included in packets.

#### CIR-001 Customer Registration

A Library card will be issued to any registering customer who provides identification with name and current address, and who agrees to abide by the circulation policies of the Library.

A customer's first Library card is free. Replacement cards will be issued for lost, stolen or damaged cards at the cost of \$2.00 per card. Worn cards will be replaced with current cards free of charge. Customers must present some form of identification with documentation of a current address and fill out a new borrower's card application form before a new card will be issued. Adults are required to sign for minors' replacement cards and show proof of current address.

Library accounts that have been expired for three years with balances under \$10.00 and are free from messages that may prevent library use will be deleted.

There are different types of Library cards that may be issued to customers. Below is a list of these types and a brief explanation of each.

#### 1. ADULT

An adult Library card is issued to any person living in Kansas who is 18 years of age or older or an emancipated minor.

An adult who is under legal guardianship or conservatorship or who is a resident of a residential facility for the developmentally disabled (such as KETCH) may obtain a library card with the consent of the person who has legal control of that adult's finances. The legal guardian, conservator, or other person legally authorized to handle that adult's financial affairs must sign the registration form of that adult, accepting legal responsibility for use of the card.

#### 2. E-CARD

Adults over 18 years of age may receive an E-card in order to have access to computers, digital collections and electronic resources. An E-card may be issued by staff to groups or individuals for the purpose of paying meeting room fees online. E-cards do not permit a customer to check out material, place holds, or submit interlibrary loan requests. Address verification is not required for this card. Instead, photo identification and verification of birth date are required. E-cards expire annually.

#### 3. FIRM

A firm card is issued to any business or organization that provides a written request on letterhead stationery. Firms must agree to be responsible for all items borrowed on the agency account. Only those persons authorized to use the card will be allowed to charge materials on the firm card. Firm cards are only issued at the Advanced Learning Library and will be kept at the Advanced Learning Library, although accounts may be created to allow borrowing privileges from any Library location.

#### 4. FRIENDS OF THE LIBRARY (FRIENDS)

Issued for one year with a paid Gold or Platinum Membership to the Friends of the Library, the "gold or platinum card" type allows members three days grace on overdue materials owned by the Wichita Public Library and no holds charges. Unclaimed hold fees and any fees associated with Interlibrary Loan items still apply to Friends of the Library accounts.

#### 5. HOMEBOUND

Acceptance of new customers into the homebound delivery program was suspended in 2016 but services continue to customers previously registered for this program.

#### 6. INTERLIBRARY LOAN (ILL)

Libraries to which the Wichita Public Library sends materials through Interlibrary Loan protocols receive accounts with the ILL card type. Libraries within Sedgwick County receive a special subset of

ILL account to indicate that they make loan requests directly through the Library catalog rather than through traditional ILL protocols and systems.

#### 7. MINOR

A minor card is issued to any person living in Kansas who is under the age of 18 and who has not been emancipated. An adult with a Library account in good standing must sign the registration form of a minor, accepting legal responsibility for use of the card. The card will be associated on issuance as a means to hold the adult financially responsible for the minor's debt. Minors who are 16 years of age or over who are or have been married may show a marriage certificate in order to receive a library card without an adult's signature. Minors who have been conferred the rights of majority by a District Court must present a copy of the court's order before receiving a library card without an adult's signature.

#### 8. MINOR E-CARD

Youth under the age of 18 may receive a Minor E-card in order to have access to computers, digital collections and electronic resources. E-cards may not be used to borrow material, place holds, or submit interlibrary loan requests. Any Internet access provided to Minor E-card account holders must be filtered per terms of the Children's Internet Protection Act as it relates to Library eligibility for Universal Service (E-rate) discounts. Address verification is not required for this card. Instead, photo identification of the minor or authorizing adult is required. Minor E-cards expire annually. Minor E-cards may be issued to students upon the request of their teacher; in this case parents will have an opt-out option (See CIR-004 Issuing Cards to Tour Groups *and Classrooms*).

#### 9. NON-RESIDENT CARD

A non-resident card is issued to any customer who lives outside the state of Kansas. The customer will be limited to two items checked out at any time on their card.

#### 10. OUTREACH

Outreach cards will be issued to groups, schools, or agencies that are receiving bulk loans. Outreach cards are issued through the Learning Services *Education and Engagement* Division.

#### 11. SELF-REGISTERED

Customers who complete an online registration for a library card will be given a card type of Self Registered until the registration process is completed with library staff. Self-registered accounts expire in six months if they are not updated.

#### 12. STAFF

A staff Library card is issued to any current Wichita Public Library staff member. New employees will not need to re-register, but will be changed to a staff account during employee orientation. Staff status is removed from accounts at the conclusion of an employee's last day in pay status.

#### 13. VOLUNTEER

Volunteers who serve at least four hours per month for a minimum of three months qualify for Library accounts where holds may be placed at no charge. (See also PER-007 Staff and Volunteer Benefits.)

#### 14. WICHITA WORK RELEASE

Inmates of the Wichita Work Release Facility (WWRF) have access to the Wichita Public Library collection as required by state statute. Accounts are limited to use at the Advanced Learning Library and are for the loan of books. WWRF documentation is used to create these accounts.

#### 15. BANNED

The banned account type is used to track customers who have been permanently banned from Wichita Public Library facilities.

### CIR-006 INTERLIBRARY LOAN

Interlibrary loan (ILL) is a worldwide sharing of materials. Items not held by the Wichita Public Library may be borrowed through ILL. When the only copy of an item held by the Wichita Public Library is lost, missing or overdue for more than 2 weeks, that item may also be borrowed through ILL. Unless otherwise noted within this policy, there is a fee of \$3.00 per ILL item borrowed from another library for a Wichita Public Library customer.

The customer must hold a current Wichita Public Library card in good standing. (See CIR-007 Circulation of Materials.)

Requests for photocopies are only taken if the following information is provided: the title of the source, the date and issue, either the title or author of the article to be photocopied and the page number(s) on which the article appears. Only specific items may be requested; the Library is unable to fill subject requests.

Requests for material outside of the United States are subject to shipment costs as well as the ILL borrowing fee.

The maximum cost the customer is willing to pay to receive the item or a photocopy of an article must be indicated on the ILL form when the request is taken. Customers will be notified of any charges beyond the ILL borrowing fee prior to the request being shipped. Any fees incurred by the Library for borrowing or photocopying interlibrary loan materials will be passed onto the customer.

A limit of three *five* requests may be active at the same time.

The ILL borrowing fee is not charged to customers in the following situations:

- 1. When a title is owned by the Wichita Public Library but the item is needed in a different format in order to make the information accessible to the customer (e.g. a print copy of an audio book for a customer with hearing impairments, a larger print/audio edition of a copy available only in regular print for a low vision customer, etc.)
- 2. When the last copy of a title owned by the Wichita Public Library is not currently available as a result of being missing, lost in circulation or unavailable for repair/rebinding/replacement.
- 3. When additional copies of a title are needed for a book club or organization with a current partnership agreement on file with the Library.

The lending library sets due dates for ILL materials. Fines will be charged for overdue items according to the circulation parameters set for ILL loans. ILL items may not be renewed. The replacement cost for lost ILL items is determined by the lending library and will be charged against the borrower's record in addition to a \$25.00 processing fee.

Any fees passed onto the library for ILL items and any late fees will apply to all accounts.

If a lending library places restrictions on an item's use, the Wichita Public Library will honor those restrictions.

Failure to comply with circulation policies will result in the loss of ILL privileges.

The Library provides materials in a variety of formats for a wide range of ages, interests, cultural and educational backgrounds and reading skills. New formats are considered when demand and viability warrant. Final responsibility for selection decisions rests with the Director of Libraries and the Library Board of Directors.

The Wichita Public Library subscribes to the Library Bill of Rights, the Freedom to Read Statement and the Freedom to View statement as adopted by the American Library Association. In accordance with these statements, the Library recognizes that some materials may be controversial and that any given item may concern some customers. Without anticipated approval or disapproval, selections will be made solely on the merits of the work in relation to the building of the collection and to serving the interests of Library customers. Responsibility for the reading, viewing and listening choices of minors rests with their parents or guardians. Limitations on access to public computer workstations or collections/formats may be requested for a minor child by that child's parent or legal guardian signing adult. No other age-based restrictions on access to Library materials will be enforced, except by statutory requirement.

#### **REF-009** Meeting Room Facilities

The Wichita Public Library offers programs and events in its meeting rooms and makes these spaces available to the public. Meeting rooms are available to rent; however, priority for meeting room use is given to the Library and Library-sponsored organizations.

Granting permission to use facilities does not constitute an endorsement by the Library.

Meeting rooms are available to any group or individual, within the fee schedule established by the Library Board of Directors, with the following exceptions:

- 1. Groups or individuals whose intent is to use the room for retail sales or monetary gain, which includes the receipt or solicitation of contribution, donations, or attendees' personal information for future sales or solicitations. The Library Director may make exceptions for Library-related events.
- 2. Groups or individuals whose purpose is illegal.
- 3. Groups or individuals whose conduct would interfere with the proper functioning of Library business.
- 4. At the Advanced Learning Library, use of some meeting spaces is restricted to activities aligned with the special purposes of the rooms and/or the pavilions in which the rooms exist. These include the Dondlinger Children's Gallery and Children's Theatre within the Children's Pavilion, the Hyde Conference Room within the Burns Historical Research Pavilion, the Evergy Technology Training Center within the Digital Pavilion and the Eakins TEC-Novation Room.

Persons attending the meeting are subject to all Library rules and regulations. The Director of Libraries is authorized to deny further use of the meeting rooms to individuals or groups who disregard Library regulations.

Library staff reserves the right to enter a meeting room at any time.

If a question is raised as to the goals and activities of any group using the meeting rooms, the Library Board of Directors shall be the final authority in granting or refusing permission for the use of the rooms.

#### **Amenities and Rates**

Wireless Internet access is available in all meeting rooms and can be requested at the time of contracting the room.

The Library does not provide staff to operate any equipment. Equipment must be requested at the time of contracting the room. Changes to equipment needs will be accepted up to 48 hours prior to the meeting date.

#### **Reservations and Cancellations**

Reservations are accepted for the current calendar year. Reservations for the next calendar year will be accepted beginning in November. Reservations must be made by individuals who are 18 years of age or older.

Reservations are made on a first-come/first served basis by contacting the desired location. Reservations are considered tentative until both a completed meeting room agreement and full payment are received. Tentative reservations will be cancelled after ten working days.

All rental fees will be refunded if a reservation is cancelled two or more days prior to the meeting date. Cancellations with less than two days' notice will result in a forfeiture of all rental fees. A refund will be issued if dangerous weather or other conditions necessitate the Library's unscheduled closing.

The Library has the right to preempt any event for Library use. In such rare instances, the Library will make every reasonable effort to assist the group in reserving another date or Library facility or meeting room. All rental fees will be reimbursed if the cancellation or space substitution results in the meeting room not being used.
