

The Library Board of Directors may authorize Library staff to distribute materials to customers using Library records, with the cost to be reimbursed by Library support organizations. The Board's authorization will only be given when responsive customer action would be mutually beneficial to the Library and the support organization. Library staff will only distribute materials to addresses within the United States or its political possessions. These materials must be prepared in such a manner that a customer will be required to opt in 4 before receiving additional information directly from the support organization. Additionally, the customer will have the ability at any time to opt out of distributions from the Library support organizations, the Library, or both.
